

Rubber Division – Gemini Corporation

Rubber Division

We specialize in global buying and selling of Recyclable Rubber. Our products include (but not limited to) Baled Tyres, Shredded Tyres, Rubber Powder & Granulates (Crumb Rubber), Butyl Tubes, Buffing Powder, etc.

We are committed to deliver consistent and dependable supply of raw materials to our customers throughout the world. Our major customers are in the regions of India, Pakistan, South Korea, Middle East and Latin America.

We source the product directly from the collection yards and manufacturers in Europe, USA, UK & Ireland, Australia & New Zealand.

Our aim is to develop long term relationship with both our customers and suppliers by offering a range of quality products at competitive prices.

With an option of multiple distribution / shipping ports along with a consistent flow of material, we enjoy a certain competitive edge in the global market.
